# GLOBAL OUTREACH OPPORTUNITIES

## MISSION PARTNERS - MEXICO

We mobilize several short trips throughout the year to support our ministry partners in Mexico to support a church and adjoining orphanage. We do this through special occasions like Three Kings Day (playing with kids, bringing gifts) and work parties to renovate the church.

## MISSIONS FAMILY - JORDAN

Our missions partner helps women from a war-torn Middle Eastern country to generate income for their families by teaching them livelihoods and home businesses. They also train and equip house church leaders from this war torn country.

## YWAM - NORWAY

Our missions partners provide counseling and member care for staff in their organization. They hold classes and workshops to help missionary families cope with stress and crises.

To learn more about how you can get involved in any of these ministries, or for general questions, email Sherman Chau at sherman@flipsidechurch.com.
